

Straight 9 Sports LLC Roster and Disclaimer Form

All Straight 9 Sports LLC events are open rostered. Through our business partner, Chappell Insurance Company, we also provide insurance for each event that you participate in with us. Straight 9 Sports LLC DOES NOT have limits as it pertains to the number of innings or outs that any particular player may pitch in any given event. We trust that the caliber of coaches that play in our events are competent in their positions and that every parent/legal guardian signature affixed below releases Straight 9 Sports LLC from any liability now or in the future from an injury sustained as a result of negligent coaching practices.

This form can be turned in once at your first Straight 9 Sports LLC event and does not need to be submitted again unless a player or players are added to the team for a particular event. If a protest is made as to the validity of a player on your roster, and that player is not on this roster, the result will be an automatic forfeit.
